## FACETUNE

**DESIGN:** Not just for smoothing skin etc, this app is great for whitening whites or removing background distractions

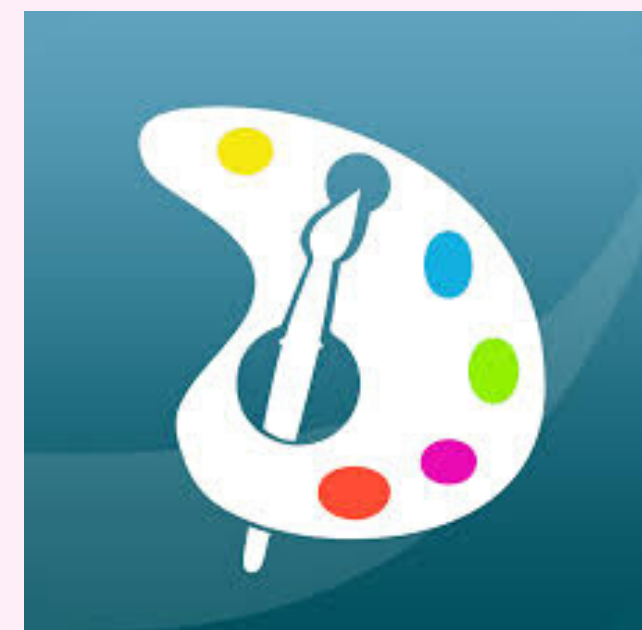

## UNUM

**PLANNING:** The best app to plan your Instagram feed! Arrange your photos to see how they look best before you post them!

## MEXTURES

**TEXTURE:** The way to add dust or "film style" textures to your photos

## YOU DOODLE

**DRAWING:** The perfect app to draw lines, dots and add shapes to your images
